PEW RESEARCH CENTER'S PROJECT FOR EXCELLENCE IN JOURNALISM
2011 TABLET NEWS WEB SURVEY
DRAFT QUESTIONNAIRE 5.1
August 31, 2011

** *Indicates programming that to be handled on the PSRAI end.*

PROGRAMMING NOTES:

- Please collect time spent per screen.
- Please collect user agent string information at beginning of survey, at Q20 and at end of survey (maybe at address screen). Information includes:
    - Browser type
    - Operating system
- Please collect data about randomizations for applicable questions and response categories
- Please collect data about how many times each respondent resumed taking an interview they had previously started and paused

- Lines across page designate a page break
- **Add Pew logo to the top left of each screen
- Do not display the question numbers or other question labels
- Allow respondents to skip questions; do not force responses
- No progress bar
- For questions with multiple items, set up the question as a grid, with items down the left side and response options across the top from left to right
- For grid questions, columns for response options should be evenly distributed
- For questions with "other-specify" options, allow respondents to select "Other" without forcing a response to be typed in the specify text box
- **Browser title for the survey should read: 2011 Tablet News Web Survey
- **Navigation buttons are labeled "Next question" and "Back" and should be split, with "Next question" on the bottom left and "Back" on the bottom right (see screenshot below)

- **If a respondent logs into the survey to resume taking a paused interview, a red-type hyperlink should appear, labeled “Click here to continue where you left off” (see screenshot below)

****Gateway/Login page**

Welcome and thank you for taking part in the survey of tablet computer users being conducted by the Pew Research Center. We appreciate your help with this important research.

The survey should take about 15 minutes, and we will send you $20 after you have completed the survey. Your answers will be kept completely confidential and used only in the aggregate.

Please enter your User Name to participate in the survey:

If you have any questions, please call Jennifer Su of Princeton Survey Research Associates International at 1-800-701-3201 ext. 227 or send an email to Jennifer.Su@psra.com.

[PROGRAMMER:** Navigation button here should be labeled "Begin Survey" with no accompanying "Back" button**]**

Here are some helpful hints:

- We would like for you to answer each question, but if you prefer not to answer a given question, just skip it and move on to the next question.
- If you have any problems while working on the survey, please click the Help Link at the bottom right-hand corner of your screen.
- Please do **NOT** use your browser's back button to go back to previous questions. Instead, use the navigation buttons provided at the bottom of each screen to move through the survey.
- You have the option to pause the survey and finish it at another time by clicking "Finish the survey later." To resume taking the survey, go to the survey home page, login again with your user name, and click the link to take you to the page where you left off.

[PROGRAMMER:** Navigation button here should be labeled "Go to first question" with no accompanying "Back" button**]**

**Help Link text:

NAVIGATING:
To move from page to page, use the navigation buttons labeled "Next question" and "Back" at the bottom of each screen. Do **not** use the browser's back button.

If you want to continue the survey at another time, click "Finish the survey later." To resume taking the survey, go to the survey home page, login again with your user name, and click the link to return to the page where you left off.

SKIPPING QUESTIONS
If you prefer not to answer a question, just skip it and move on to the next question.

CHANGING ANSWERS
Once you have selected an answer for a question, you may *change* your answer, but you cannot unselect your answer to leave the question blank.

If you are experiencing any technical trouble with this survey, please contact us by emailing jennifer.su@psra.com.

FROM PHASE 1/SAMPLE FILE:
IF PEJ.2=1: Use "iPad" throughout the questionnaire.
IF PEJ.2=2-8 OR PEJ.2a=1 OR More than one from PEJ.2: Use "tablet" throughout the questionnaire.

ASK ALL:
Q.1 Recently, you answered some questions about your **[**iPad/tablet computer**]** and getting news, analysis and commentary on your **[**iPad/tablet computer**]**. Just to confirm, do you still use your **[**iPad/tablet computer**]**?

1 Yes, still use **[**iPad/tablet computer**]**
2 No, do not use **[**iPad/tablet computer**]**
PROGRAMMING NOTE: IF INITIALLY 'NO, DO NOT USE IPAD/TABLET' OR 'NO ANSWER', PLEASE PROMPT ONCE WITH AN ERROR MESSAGE THAT READS "This question is important to determine your eligibility to participate in the survey. Please review your response." IF 'NO' OR 'NO ANSWER' AGAIN, SCREEN OUT AS INDICATED BELOW.

IF DO NOT USE TABLET (Q1=2 or no answer) – DISPLAY THE FOLLOWING
This survey asks questions of tablet computer users. Thank you for your time. A full report with the results from these surveys will be available later this fall on the Pew Research Center website (clickable link to http://pewresearch.org embedded in the organization name "Pew Research Center").
