Figures add to more than 100% because of multiple responses.

7 In Early September 2005, the question was worded "news about the impact of Hurricane Katrina." In March 2003, the question was worded "news about the war in Iraq," and in Mid-September 2001, the question was worded "news about the terrorist attacks." In September 1995, question wording did not include "international." In Early January 1991 the question asked about "the latest developments in the Persian Gulf."
